Cover Picture
Circumcision in Ancient Egypt (ca 2350 BC)
From a bass relief in the tomb of Ankhmahor at Saqqura

Index

Circumcise (to ...)	2 & 3
Circumcised	2 & 3
Circumcision (Operation or Ceremony) ...	2 & 3
Coronal Rim (Glans Rim)	6 & 7
Coronal Sulcus (Coronal Groove)	6 & 7
Erection	2 & 3
Foreskin	4 & 5
Frenulum (Frenum)	4 & 5
Glans	4 & 5
Meatus	4 & 5
Penis	2 & 3
Phimosis	8 & 9
Preputial/Foreskin Opening	6 & 7
Prostate Gland	8 & 9
Pubic Hair	6 & 7
Semen	8 & 9
Shaft	4 & 5
Smegma	8 & 9
Sperm	8 & 9
Testis/Testicle, Testes/Testicles	6 & 7
Uncircumcised	2 & 3
Urethra	4 & 5

Multi-Lingual Dictionary of the Male Genitals

The publications of The Circumcision Helpdesk™ and several other circumcision related organisations and web sites are primarily in English.

This Multi-Lingual Dictionary has been produced to assist those who come across documents in some other languages and wish to know quickly roughly what they concern.

For simplicity, definite and indefinite articles have generally been omitted.

Some languages (such as Greek) normally use characters outside the 'Roman' family of characters. These have been transliterated into the phoenetically equivalent 'Roman' characters.

We welcome any corrections or additions to the list, whether by adding a complete new language or by filling the gaps that occur in some language entries. Please send them to info@circumcisionhelpdesk.org with a subject line of Multi-Lingual Dictionary.

For definitions of the terms listed here please refer to the companion publication: "A Glossary of Terms" which is available in English (Code GOT-EN) and Spanish (GOT-ES).

English	<i>eng</i>	circumcision (operation or ceremony)	to circumcise	circumcised	uncircumcised	penis	erection
